

Announcement from Chulalongkorn University
Admission to the Bachelor of Fine and Applied Arts Programme in Communication Design
(International Programme)
Faculty of Architecture
For the Academic Year 2021 (Early Admission) (Additional)

Regarding the announcement from Chulalongkorn University about admission to the Bachelor of Fine and Applied Arts Program in Communication Design (International Programme), Faculty of Architecture, for the Academic Year 2021 (Early Admission), on 30th October 2020.

Because of the second wave of COVID-19 in Thailand, the Faculty of Architecture has changed the procedure of the application submission regarding Design Skill Test and interview. As below:

1. The application submission as described in item 4.2.

Once candidates complete their application form from our website www.commde.com/admissions and pay the 1,000THB application fee, they must upload the application and other documents as described in item 4.2 through the online channel instead of submitting in person.

2. Interview and Design Skill Test.

The programme will host interviews and the Design Skill Test via Zoom instead of at the premises of the Faculty of Architecture. Candidates can find more details of the examination via Zoom on our website www.commde.com/admissions.

If the programme discovers that any applications or other documents are forged or invalid or if the candidates cheat in any way, their applications will be rejected from the admissions process and, further, this applies retroactively at any time in the future. Decisions of the committee are final.

Announced on January 12th, 2021

(Associate Professor Dr Pinraj Khanjanusthiti)
Dean of Faculty of Architecture
